Jill,

The KRSMA-AB (Kenai River Special Management Area - Advisory Board) is a 17-member advisory board to the Commissioner of DNR. Members representing the public at large serve a three year term with roughly a third of public seats expiring every year (members whose seats are expiring can reapply for their seats). Members representing the public are selected by the DNR Commissioner from a pool of applicants.

The make-up of the board is:

- 9 voting members from the public
- 3 voting members from the Cities of Kenai and Soldotna and the Kenai Peninsula Borough (one each),
- 5 nonvoting agency members (USFS, USFWS, ADF&G, DNR & DEC)

If you need more info please let me know.

Hi Cindy,

On the agenda it has "KRSMA plans." Who is that? I'm not putting a name with the acronym. Is there any background material I need involving them that I don't already have? Thanks.
